

## CASE LOG TEMPLATE

This is an example of the case log that you need to submit with your application form for assessment. To find out what level of experience you need to demonstrate through your case log, please see [here](#).

Please remember to redact all personal data that would identify clients, vets, or anyone else involved, other than a lead consultant who has given permission on a supervised case. (Pet names are OK).

*Feel free to submit you Case Log in .docx, .xlsx .csv file format etc. This is just an example.*
